

# Woodrush High School

## Project Information

*Address:* Shawhurst Ln, Wythall, Worcestershire B47 5JW

*Facility:* 100.46m x 63.85m

*Sports:* Hockey, Football, Tennis, Aerobic Athletics and Games

*Pitch System:* New VHAF NottsSward sand-filled synthetic grass  
Repairs to existing insitu rubber shockpad  
Laid onto existing:  
Engineered macadam base  
Underlying piped drainage system

*Other features:* Mix of inlaid permanent and specialist semi-permanent playing lines for hockey and football  
Replacement perimeter mesh fencing - galvanised rolled welded mesh with gates and timber hockey kickboards  
New divide netting system to enable the pitch to be divided into thirds

*Construction Cost:* £185,000 + VAT

*Completed:* Resurfaced - December 2013

*Specialist Contractor:* S&C Slatter Ltd

### *Points of Interest:*

The original surface was 17 years old and at a point way beyond its useful lifecycle. Notts Sport provided a pitch condition survey detailing short, medium and long term recommendations which enabled the client to source funding via Sport England's Improvement fund.

### *Testimonial:*

"As a School and Sports Centre we were in desperate need to replace our 17 year old Artificial Grass Pitch. Notts Sports were recommended to us and they did not let us down. Notts Sports Project Managed the entire process in a professional and timely manner. We would certainly recommend Notts Sports to any organisation looking to build or refurbish an artificial pitch."  
Faye Parker - Director of Community and Extended School Provision at Woodrush High School
